

A NEW ERA
BEGINS!

EATING HABITS ARE CHANGING

**THE FUTURE IS
SHAPING.**

The great change starts with Legurme!

Legurme is about balancing taste, wellbeing and coolness.

**THAT'S WHY OUR PRODUCTS ARE MADE OF NATURAL INGREDIENTS, CRAFTED WITH
NEW TECHNOLOGY, TO TURN NOURISHING FOOD INTO MOUTH-WATERING DELICACIES TO BE ENJOYED
DAY AFTER DAY. WE CALL IT *Living Legurme*.**

**BRINGING TOGETHER TASTE AND EXPERIENCE,
MADE FOR SIMPLE ENJOYMENT.**

Legurme's new journey is a story of transformation centered on health and wellness.

By bringing the power of plant-based nutrition to more tables,
we are building the food of the future, starting today.

By combining the natural strength of legumes and grains with innovative products,
we are creating a place for them on every table. Health is not just a trend
it's a lifestyle we are introducing into consumers' daily lives.

Our journey began with legumes, rice, and bulgur,
and grew stronger with convenient, pre-cooked, and ready-to-eat meals.

**Today, with innovative products
built for the modern world,
we're shaping the future of food.**

We are creating the food that will define the future

With our 30 years of experience.

Built on the trust of our consumers, we are introducing entirely new product categories, all unmistakably from Legurme. We will continue to reflect Legurme's core values, like **'quality'** and **'health,'** always keeping the consumer at the center of everything we do.

Frozen at Freshness, Dried to Perfection

Legurme Freeze Dried Products

FREEZE DRIED

Our fruits and vegetables are harvested at peak season and freeze-dried to preserve vitamins, minerals, and freshness without any loss. This method keeps their natural taste and nutritional value intact, with no additives, so you can enjoy them as fresh as the first day, all year round. Experience the delicious flavors of Freeze Dried...

PULSE AND GRAIN CAKE

POPPED TO PERFECTION

We popped legumes, added grains for flavor, and created a healthy alternative to bread. Using a formula without additives or preservatives, and with micropellet technology, we brought out all the natural richness of legumes.

"Fit and wholesome, **and clearly from Legurme!**"

Popped Light

Packed Tasty!

LEGURME MINI AND THIN CAKES

We've popped vegetables and fruits, introducing a first-of-its-kind concept! Designed with our "Thin & Mini" approach, this new member offers a delicate texture, single-bite form, and micropellet formula for a true gourmet experience. Legurme can be enjoyed on its own or paired with dips and sauces, creating a unique combination that will stand out on the shelves.

crunchy!

POPNAYS

Meet Popnays, Legurme's next-generation chips that bring a lighter, crunchier, and more enjoyable touch to snack aisles.

Popnays takes center stage with every crunch, offering chip lovers a delicious snacking experience with its fun triangular shape and satisfying crispy texture. Its rich seasoning fills every bite with flavor, while its light and crunchy structure makes it an enjoyable alternative for any moment of the day.

Delicious on its own and even more enjoyable with dip sauces, Popnays transforms ordinary chip moments into a fun, colorful, and flavor-filled experience.

Legurme Popnays — bold flavor, light crunch, pure enjoyment.

NO GUILT,

ALL FLAVOR!

SNACK UP

Meet Snack Up, the most dynamic and colorful star of the snack aisle! With Legurme Snack Up, we bring the world a fun and exciting snacking experience. Our chips stand out with their playful tube-shaped and cone-shaped forms, offering a different texture, a different crunch, and a different kind of enjoyment in every bite.

Snack Up also adds more variety to snack moments with its high-protein option containing 23g of protein and its 75% less fat option.

From crunchy tubes to delicious cone-shaped snacks, Snack Up turns ordinary snacking moments into a colorful, enjoyable, and satisfying experience.

GLUTEN
FREE

Flavor-Full

Legurme Pulse & Seed Pasta

Our Protein Shifting technology upgrades traditional pasta into a **superfood**.

Legurme pasta combines the pure protein power of legumes with essential vitamins and minerals for a healthy, nutrient-rich meal.

Flavor-Full

The New Standard of **Gluten-Free Taste**

Legurme Gluten-Free Pasta

Legurme offers gluten-free pasta that is both nutritious and full of flavor. Our pasta is **gentle on the stomach and won't cause bloating**, made from nutrient-rich ingredients **like buckwheat**, corn, rice, and legumes, providing protein and fiber in every bite. Whether it's Penne Rigate, Fusilli, or our 3-Grain & 2-Legurme mix, these pastas deliver vitamins, minerals, and protein for those who want both a satisfying meal and a health boost.

The New Standard of
Gluten-Free Taste

Legurme Quadro Pasta

Legurme brings a new dimension to pasta with advanced production and quality standards. Using our enhanced technology, we enrich pasta with vitamins while preserving the natural nutrients of corn, lentils, and rice. This ensures that the pasta is not only flavorful but also supports healthy nutrition. Loved at the table, our pasta has been redesigned with a modern touch to combine taste and wellness.
